REWI Partners and Friends

REWI Partners and Friends are committed to supporting the protection of wildlife and ecosystems and responsible deployment of renewable energy through sound science and collaboration. They contribute time, resources, and financial support that enables REWI's work. REWI's work is guided by a Board of Directors drawn equally from the renewable energy industry and science and conservation organizations.

INDUSTRY PARTNERS

- American Clean Power Association (ACP)
- Avangrid Renewables
- Berkshire Hathaway Energy
- Clearway Energy Group
- Deriva Energy
- EDF power solutions
- EDP Renewables
- Longroad Energy
- NextEra Energy
- Pattern Energy Group
- Repsol Renewables North America
- Southern Power

CONSERVATION/SCIENCE PARTNERS

- Association of Fish & Wildlife Agencies (AFWA)
- Bat Conservation International
- The Conservation Fund
- Defenders of Wildlife
- Ducks Unlimited
- Environmental Defense Fund
- National Audubon Society
- National Wildlife Federation
- Natural Resources Defense Council
- Pheasants Forever & Quail Forever
- The Nature Conservancy
- Renewable Northwest
- Theodore Roosevelt Conservation Partnership
- Sierra Club
- Union of Concerned Scientists
- The Wilderness Society

RENEWABLE ENERGY WILDLIFE | RESEARCH FUND

REWI's industry Partners and Friends also comprise the membership of the Renewable Energy Wildlife Research Fund (REWRF, the Fund), an industry-led research fund administered by REWI staff. The Fund supports independent, peer-reviewed research to inform wind and solar energy development and operations.

INDUSTRY FRIENDS

- Apex Clean Energy
- Arevon
- ENGIE
- Geronimo Power
- Orion Renewable Energy Group
- Puget Sound Energy
- Savion, LLC
- Scout Clean Energy
- Solar Energy Industries Association (SEIA)
- Steelhead Americas, LLC

REWI'S WORK WOULD NOT BE POSSIBLE WITHOUT THE SUPPORT OF OUR PARTNERS AND FRIENDS

INTERESTED IN ENGAGING WITH REWI?

To learn more about REWI and opportunities for your organization,
contact REWI Outreach Manager Megan Goldsmith mgoldsmith@rewi.org

REWI is an independent 501(c)3 organization that develops and leverages scientific research around renewable energy interactions with wildlife, habitats, and ecosystems. Built on a partnership of energy companies, conservation and science organizations, and public agencies, REWI develops innovative approaches and independent results that advance renewable energy expansion while meeting conservation goals.
